Private and Pristine! This charming town home on a quiet street in Old Trail has been meticulously maintained and freshly painted inside and out! Hardwood floors in the foyer, dining room, kitchen and halls sparkle in the light filled rooms. The dining room at the front of the home features large double window, chair rail and crown moulding. The kitchen features maple cabinets and stainless steel appliances (all new in 2019) and is open to the great room. Great room features new carpet and wood burning fireplace and opens to rear deck and fenced yard with views of the serene pond with fountain. Upstairs, the owner's bedroom features a private bathroom and walk in closet. Two additional bedrooms share a full bathroom. Pull down floored attic for extra storage.
